Youth Radio Show

Ever dreamt or thought of hosting a radio show?
 Well here is your chance. Adventist World Radio London is willing to give the LC youth a chance to host a radio show.

What do you need to do?

1. Form a group and come up with a community project youth can participate in in their Community. This project has to be beneficial to the community and should have full youth participation. Your project will be presented as a radio show on Adventist Radio London to motivate and inform the rest of UK's community
1. Come up with the goal for that outreach project for the youth
2. Submit your plan on 1 max 2 A4- (font size 11-12 Calibri) to Youth ministry dept leader
3. May 24th we will choose the best project and make it known Sabbath 25th of May, shortly after you can start your project.
4. Your project will then be presented to Adventist Radio London

May God inspire you as you reach out and do something impactful for your community!
 Loving the Lord Jesus, I promise to take an active part in the youth ministry of the church, doing what I can to help others and to finish the work of the Gospel in all the world.
